

PF FUTURE LIFE POISED PORTFOLIO V3 FACTSHEET

What is a portfolio?

A PF Future Life Portfolio matches your attitude to investment risk **and** your term to taking future lump sum benefits (such as a large lump sum withdrawal or annuity purchase) to a suitable mix of assets. There are five PF Future Life portfolios to choose from. We have recommended the portfolio we believe to be the most appropriate for you.

Who is this portfolio designed for?

This portfolio is designed for medium to long term investors who:

Recognise and accept the relationship between risk and reward.

Can afford to take some risk of loss with this part of their invested assets, and any consequent reductions to income.

Prices can fall as well as rise meaning you may not get back the full amount of capital originally invested. Investment returns may fluctuate and are not guaranteed.

What is the investment objective?

To outperform the benchmark over rolling three year periods.
